PREMIUM SEATING SYSTEMS

COMFORT THAT NEVER QUILTS

TURF CARE
COUNTLESS ACRES. ZERO ACHES AND PAINS.

Being able to put in long hours in the saddle is critical for every lawn care employee. That’s where GRAMMER comes in. With innovative, shock-absorbing suspension systems, premium materials and intuitive controls, GRAMMER seats make it easy for every driver to get comfortable in an ergonomically optimum sitting position. When you tackle hundreds of acres of bumpy hills day after day, it can be the difference between heading home satisfied and needing a day off.

MSG 65 SERIES

Turf care machines take a pounding. The MSG 65 series makes sure you don’t feel the pain. Designed with a low-profile mechanical suspension that significantly reduces vibrations, it helps you stay comfortable, no matter how rough the day gets.

FEATURES:
• Very low-profile mechanical suspension
• Suspension stroke: up to 2.3 in. (60 mm) or 3.1 in. (80 mm)
• Weight adjustment range: 110–375 lbs. (50–170 kg)
• Fore/aft adjustment – accommodates all body sizes/types
• Lumbar support – easily adjusts for optimal back support and comfort
• Backrest extension
• Swivel (70° right to 0° left in 10° increments)
• Retractable seat belt
• Adjustable or foldable armrests
• Document box or net
• Fore/aft isolator – dramatically reduces horizontal vibrations and prevents jolts from jarring the back
• Operator presence switch
• High back or low back seat top options – available in three widths

ALL SEATS CAN BE ENHANCED WITH THESE ADDITIONAL OPTIONS.
Once you experience the comfort of air suspension, there’s no going back. It’s easy to make the little adjustments you need to create the smoothest riding experience possible. The MSG 93 features narrow suspension with the added luxury of air-ride comfort.

**FEATURES:**
- Narrow air suspension (12V or 24 compressor) – ideal for limited spaces like small tractors
- Suspension stroke up to 3.1 in. (80 mm)
- Weight adjustment range – 110-285 lbs. (50-130 kg)
- Fores/after adjustment – accommodates all body sizes/types
- Height adjustment
- Lumbar support – easily adjusts for optimal back support and comfort
- Adjustable headrest or backrest extension
- Swivel (0° to 360°) – allows for better view of rear equipment and improved cab mobility
- Retractable seat belt
- Adjustable or foldable armrests
- Document box or net
- Side-to-side isolator
- Fores/after isolator – dramatically reduces horizontal vibrations and prevents jolts from jarring the back
- Adjustable damper
- Active climate control – seat top removes sweat to keep you dry in the heat; integrated seat heating keeps you warm in the cold
- Operator presence switch
- Control carrier console – offers easy access to joystick controls
- High back or low back seat top options available in three widths

For grass-cutting comfort, we never cut corners.
**MSG 283 SERIES**

Our narrow mechanical suspension seat delivers incredible value with uncompromising quality, premium materials and a wide range of features. Despite its small dimensions, it boasts all standard seat and operating features and a robust mechanical suspension.

**FEATURES:**
- Narrow mechanical suspension – ideal where space is at a premium
- Suspension stroke up to 3.1 in. (80 mm)
- Weight adjustment range – 110-285 lbs. (50-130 kg)
- Fore/aft adjustment – accommodates all body sizes/types
- Height adjustment up to 3.1 in. (80 mm)
- Lumbar support – easily adjusts for optimal back support and comfort
- Adjustable headrest or backrest extension
- Swivel (0° to 360°) – allows for better view of rear equipment and improved cab mobility
- Retractable seat belt – 2-point, 3-point or 4-point
- Seat depth/tilt – four adjustable positions to reduce pressure on the backs of knees
- Adjustable or foldable armrests
- Document box or net
- Fore/aft isolator – dramatically reduces horizontal vibrations and prevents jolts from jarring the back
- Operator presence switch
- Control carrier console – offers easy access to joystick controls
- High back or low back seat top options available in three widths

**MSG 85 SERIES**

Our hardworking, heavy-duty mechanical suspension offers a boost in vibration reduction for a more comfortable ride in even the most demanding conditions.

**FEATURES:**
- Mechanical heavy-duty suspension – provides dependable, hardworking comfort
- Suspension stroke up to 3.9 in. (100 mm)
- Weight adjustment range – 110-285 lbs. (50-130 kg)
- Fore/aft adjustment – accommodates all body sizes/types
- Height adjustment up to 3.1 in. (80 mm)
- Lumbar support – easily adjusts for optimal back support and comfort
- Adjustable headrest or backrest extension
- Swivel (0° to 360°) – allows for better view of rear equipment and improved cab mobility
- Retractable seat belt – 2-point, 3-point or 4-point
- Seat depth/tilt – four adjustable positions to reduce pressure on the backs of knees
- Adjustable or foldable armrests
- Document box or net
- Fore/aft isolator – dramatically reduces horizontal vibrations and prevents jolts from jarring the back
- Operator presence switch
- Control carrier console – offers easy access to joystick controls
- High back or low back seat top options available in three widths

**HARD WORK NEVER FELT SO GOOD.**
B 12 SERIES

Don’t let its classic design deceive you. The B 12 is built with a rugged toughness and advanced, shock-absorbing materials so it can stand up to any job.

FEATURES:
- Semi-suspension
- Suspension stroke up to 1.6 in. (40 mm)
- Weight adjustment range – 110-265 lbs. (50-120 kg)
- Fore/aft adjustment – accommodates all body sizes/types
- Retractable seat belt
- Foldable armrests
- Operator presence switch

MSG 75 SERIES

The low-profile air suspension provides unmatched vibration-absorbing technology in a small package. The MSG 75 fits perfectly in turf care equipment.

FEATURES:
- Very low-profile air suspension (12V or 24V compressor)
- Suspension stroke up to 2.3 in. (60 mm), 3.1 in. (80 mm) or 4.3 in. (110 mm)
- Weight adjustment range – 110-375 lbs. (50-170 kg)
- Fore/aft adjustment – accommodates all body sizes/types
- Lumbar support – easily adjusts for optimal back support and comfort
- Backrest extension
- Swivel (170° right to 0° left in 10° increments)
- Retractable seat belt
- Adjustable or foldable armrests
- Document box or net
- Fore/aft isolator – dramatically reduces horizontal vibrations and prevents jolts from jarring the back
- Operator presence switch
- High back or low back seat top options – available in three widths

ALL SEATS CAN BE ENHANCED WITH THESE ADDITIONAL OPTIONS.
Built to handle the heaviest of workloads

Meet the toughest challenges of your industry parked comfortably in a GRAMMER seat.
